

**BCDB Faculty Meetings Tracking Form – Rotation 1**

Your Name: \_\_\_\_\_

**Prior to your first rotation, you are required to meet with at least 3 faculty who are members of the BCDB program.**

**Note:** this is not intended simply as an exercise in collecting signatures! It is an opportunity for you to meet with and learn about the exciting research of our BCDB faculty. While the primary goal is for you to identify the best labs in which to do your rotations, there are many other good reasons why you should want to be familiar with the research interests of a large and diverse group of faculty (think Qualifying Exams, Dissertation Committees, etc.)

Record the dates of these meetings below and ask the faculty members to sign this form. While only 3 meetings/signatures are required prior to rotation #1 and #2, additional lines are provided for those interested in engaging with additional faculty members.
