Graduate Division of Biological and Biomedical Sciences (GDBBS)
Mentor Agreement Form

Student: _______________________________  Signature  Date
(Type or print name)

GDBBS Program Name: ______________________________

Proposed PI: _______________________________  Dept.  Signature  Date
(Type or print name)  (Attach current funding support)

Proposed Co-Advisor: (if any)

____________________________________________
(Type or print name)  Dept.  Signature  Date

In preparation to direct the dissertation of a GDBBS student, I have reviewed and understand the regulations as outlined in the Laney Graduate School Handbook, the GDBBS Policy Manual, and the Program Guidelines. I agree to abide by these guidelines and to be responsible for the stipend and tuition charges that are required.

DGS or PD
Initials

☐ Proposed advisor is not in debt to stipend bank. If unsure, check with Margie Varnado.

☐ Proposed advisor is a full member of the GDBBS. If unsure, check the faculty listing on the GDBBS website (http://biomed.emory.edu/guides/faculty.html).

☐ The advisor (and co-advisor, if relevant) has attached his/her current other support form including grant(s) pending.

DGS or PD: _______________________________  Signature  Date
(Type or print name)

NOTE: This mentor assignment is not official until approved by GDBBS. If the completed form is not turned in by 30 days after the end of the final rotation, the stipend will be put on hold until we can confirm that the student has begun work in the assigned lab.
