

Cancer Biology Dissertation Committee Meeting Form

Cancer Biology students in their third-year and above are required to have a minimum of 2 dissertation committee meetings per year. You must complete this form at each meeting and submit it to the DGS (Paula Vertino).

Student: _____

Year in Program: _____

Meeting Date: _____

Committee Meeting #: _____

Objectives:

1. Evaluate the progress of the student
2. Determine if the project will lead to a degree
3. Evaluate alternative projects
4. Determine if a student has accomplished enough to graduate

Committee Members:

Please print your name, sign, and indicate if the student is making satisfactory or unsatisfactory progress.
