

Lab Rotation Selection Form

Instructions: GDBBS students must complete this form before each rotation. In most circumstances, students will complete three rotations during their first year in their program. Additional details are available through your program’s addendums.

Completed by Student

Student Name: _____

Program: _____

Rotation Number: 1 2 3 4

Rotation Advisor Name: _____

Please briefly describe the rotation project(s) you have discussed with your Rotation Advisor.

My Rotation Advisor and I have discussed communications expectations, project ideas, timelines, and lab reporting structures above. I understand that my research grade will be based on fulfilling expectations set by my Rotation Advisor.

Student Signature _____ Date _____

Completed by Rotation Advisor

I will devote the time necessary to ensure the student has a quality learning experience.

I will actively engage in an advising relationship with the student listed above while they rotate in my lab.

I agree to provide a grade to the Program’s DGS based on the student’s lab performance and the rotation report or presentation.

Rotation Advisor Signature _____ Date _____

Completed by Director of Graduate Studies OR Program Rotations Chair

The program approves this rotation and agrees to guide the student and Rotation Advisor.

DGS or Rotations Chair Name _____ Signature _____ Date _____
